

DECRA CHAIR

Designed by Bluecube Ltd, Decra integrates perfectly with Hussey Seatway's TP, theatre quality retractable platforms. Decra is a high specification, executive level chair that provides correct posture and excellent levels of comfort. The seat and back is manufactured from sturdy, high quality plywood. Decra can be specified in a range of real wood veneers or upholstered in a range of fabrics.

APPLICATIONS

A highly versatile and durable, beam mounted chair, designed for use in theatres, conference centres, lecture Halls and similar interior spaces.

FEATURES

- Available in 3 different models
- Multi seat centres from 460mm
- Rail mounting allows equal spacing of seat modules, justifications of rows and replacement of complete seat modules in seconds
- Slim profile for wide, safe row access
- Spring activated tipping with a 'soft action' fully enclosed mechanism
- Available with or without auto tip armrests
- Designed for use on telescopic platforms with at least 260mm row rise and 850mm row depth
- Fixed & Flat Floor versions are available to compliment retractable installations

OPTIONS

- Seat numbers and row letters
- Cup holders
- Auto tip polymer or upholstered armrests
- Integral folding Scribe writing tablets
- Gas struts to dampen the folding action

FINISHES

- Fabric from the Flambend range by Bradbury
- Customers own choice of fabric can be specified
- Timber Stained Mahogany, Walnut or Birch seat & back panels
- Metalwork, either satin black or matt silver

TECHNICAL

CAD drawings available on request.
