

The S200 features clean lines and a contemporary design. The product is manufactured from 450mm widths to maximise the capacity within a given space. The perfect choice for schools or multi-purpose facilities requiring a fully upholstered chair at an economic cost.

FEATURES

- Seat widths from 450mm to 490mm with arms
- Preformed plywood seat and back structure with contoured upholstery
- Spring-activated tipping with a fully enclosed stop mechanism
- Available with wood or plastic arms
